Employee Laptop Request

Request, Approval, Fulfillment and Support for a New Laptop

Empowering Employees with the Right Technology for a Better Tomorrow

SCENARIO	1. DISCOVER	2. REQUEST	3. APPROVAL	4. FULFILLMENT	5. DELIVERY	6. SUPPORT	7. END
Requesting, approving, procuring, receiving and using a laptop through ServiceNow	How does someone initially become aware of this process?	What do people experience as they submit the request?	Who reviews the request and what happens?	How is the laptop procured and prepared?	What do people experience as they receive the laptop?	What happens after delivery if support is needed?	What is the final outcome?
Steps What does the person (or group) typically experience?	Learn about the laptop request process	Login to ServiceNow and submit request	Manager reviews and approves	IT team procures and prepares laptop	Receive laptop and acknowledge	Raise support request (if needed)	Use laptop for work and request upgrades in future
Interactions What interactions do they have at each step along the way?	Emails, intranet, training, service catalog	ServiceNow portal, Laptop Request catalog item, form submission	Manager approval task in ServiceNow, notifications	IT workflow, vendor system, asset management	Email notification, asset handover, acknowledgement	ServiceNow support portal, IT service desk	Ongoing support, asset lifecycle management
Goals & Motivations At each step, what is a person's primary goal or motivation?	Understand how to request a laptop	Submit a complete and accurate request	Review and approve valid requests quickly	Fulfill the request on time	Receive the right laptop in good condition	Get quick support when needed	Use the laptop productively
Positive Moments What steps does a typical person find enjoyable, productive, or satisfying?	Clear information available	Easy-to-use form and self-service portal	Notifications and clear approval view	Timely procurement and preparation	Receiving the laptop on time	Quick resolution of issues	Seamless experience and ability to request upgrades
Negative Moments What steps does a typical person find frustrating, confusing, or time-consuming?	Lack of awareness about the process	Difficulty finding the right catalog item or missing information	Delays in manager approval	Stock unavailability or vendor delays	Delayed delivery or incorrect laptop	Slow response to support requests	Uncertainty about upgrade/replacement eligibility
Areas for Opportunity How might we make each step better? What could we improve?	Increase awareness through training and communication	Simplify the request form and provide clear guidance	Automate reminders and escalation for approvals	Improve inventory visibility and vendor coordination	Provide real-time status updates	Enable self-service troubleshooting and knowledge articles	Offer easy upgrade and replacement options
